## Your Divine Appointment

“I was **crying** to the LORD with my voice,  
And He **answered me** from His holy mountain”

—Psalm 3:4.

Have you been searching for marriage help? It's not by chance, nor is it by coincidence, that you are reading this book. God has heard your cry for help in your marriage dilemma. He predestined this DIVINE APPOINTMENT to give you the hope that you so desperately need right now!

If you have been told that your marriage is hopeless or that without your spouse's help your marriage cannot be restored, then this is the book you need. Read this over and over so you will begin to believe that God is MORE than able to restore ANY marriage, including YOURS!

We know and understand what you are going through since WE, and MANY others who have come to our ministry for help, have a restored marriage and family! No matter what others have told you, your marriage is NOT hopeless!! We KNOW, after twenty five years of ministry, that God is able to restore ANY marriage, even YOURS!

If you have been crying out to God for more help, someone who understands, then join our Internet Restoration Fellowship to help you see your marriage through to restoration during your rebuilding phase of your journey. Since beginning this fellowship, we have seen more marriages restored on a regular basis than we ever thought possible!

So, if you are really serious in your desire to restore your marriage, then our fellowship is the answer. For more information or to join, go to our website [RMIEW.com](http://RMIEW.com). We would love for you to be a part of our Restoration Fellowship!

### **Who are we and what are we hoping to do?**

Restore Ministries helps those who have found themselves in a hopeless situation: couples whose spouse is in adultery, has left, has filed for divorce, or any other seemingly impossible marital situation. These broken people

have often sought help, but everyone (many times even their pastors) have told them their marriage was hopeless. However, we not only believe that no marriage is hopeless – regardless of the circumstances—we know they aren't. That's why we offer hope, help and encouragement through our website, our Restoration Fellowship, and a variety of resources including a variety of newsletters to spiritual feed and uplift you daily!

In 2001, Restoration Fellowship was birthed to minister more effectively to the needs of those seriously seeking restoration. Within a year the fellowship grew to over 400 committed members and increases daily with members from all over the world.

Restore Ministries has never sought advertising or paid for placement in search engines but has instead grown by word of mouth. We also take no support from anyone but the individuals themselves who are seeking restoration so that we are never told we must comprise sharing His full truths. Though often ostracized by the established church, because of those who have cried out to God for help when their own church, pastor, family and friends who offered them no hope or support, we have given them hope and we have become an oasis in the desert for the desperate, the hurting, the rejected.

Often accused of being extreme, radical, out-of-balance or legalistic, the message in all our resources is founded firmly on the Word of God only, encouraging those seeking restoration to live the message that Jesus proclaimed, beginning with the familiar Beatitudes.

RMI teaches the good news of God's Word to bring healing to the brokenhearted, comfort to those in pain, and freedom to prisoners of despondency and sin through the truth of His Word, giving them the hope that is "against all hope" through the Power of Jesus Christ, the Mighty Counselor and Good Shepherd.

Our site and our resources minister to the hurting all over the world with the intent of creating a deeper and more intimate walk with the Lord that results in the hurting healed, the bound freed, the naked clothed, the lost saved and broken marriages restored. We minister to women from more than 15 countries including Switzerland, Hong Kong, New Zealand, Sweden,

Philippines, Brazil and Germany, with large followings in Australia, Canada, and Africa. Our books have been translated into Spanish, Portuguese, Tagalog (Filipino), Afrikaans, and French. Also Slovakian, Chinese, Russian, Italian and some Hindi.

Jesus said that you “will know them by their fruits” that’s why this book and all our *By the Word of Their Testimony* books are filled with testimonies of hopeless marriages that were restored, marriages that give glory to God and to the Power of His Word. Our *WOTT* books are growing at such a phenomenal rate that we were once unable to keep up with getting them published. Now we have a full team devoted to keeping up.

If you have any doubt about the validity of our ministry, you won’t after reading this and our other awesome books. Each will show you not only hopeless marriages that were restored, but more importantly, it will show you men and women who have been completely transformed into God-lovers and are now committed on-fire Christians, many of whom were saved through this ministry.

Below is a small sampling of the letters of gratitude that Restore Ministries has received. Please note when you read the letters that they give all the praise and glory to the Lord. This ministry was founded and continues to grow on the premise that “if He be lifted up, He will draw all men to Himself” and “the Lord will share His glory with no man.”

### **“Let Another Praise You” Proverbs 27:2**

*I don't know where to begin thanking you for your obedience to God in His calling to minister to women and stand in the gap with them for their marriage. Without this course and the materials provided (I also purchased them), I would still be stumbling around trying to figure it all out on my own through prayer. You have helped pave the way and open the door for others to knock, seek, and ask, and through it all, miracles are being performed and lives are forever being changed through and by His grace. During my first 30 days, I have learned how to direct my prayers to seek His will over my own, and in that time, He has shown me more about myself than I ever would have learned by going through this journey without your guidance. I am a new person, but I am not finished growing and learning. I anxiously and eagerly look forward to delving into the next course to grow even closer to my Love.*

*~ From Tammy in Mississippi*

*My marriage situation was ABSOLUTELY hopeless, and although I don't want to give too much detail while God is working, the point is PRAISE and GLORY to GOD!! GOD IS WORKING!*

*Lord Father, I thank You soooo much for holding my hand through this tough season. I know that it is You who has been helping me through everything in this journey. Thank You for guiding me to this page. I love You Lord and I thank You for all the love You show me. In Jesus name.*

*~ From Jeannine in Texas*

*When the Lord directed me to this ministry through Restored in Grace I was destroyed, my world had collapsed as a result of my marital destruction, I was devastated in pain, without hope and trying to find an answer as to why and what was happening to me.*

*Then through looking for God and looking for someone to give me encouragement I found this ministry, when I received the book How God Can and Will Restore Your Marriage I felt a joy that was smiling alone, not only because I saw a hope but because whoever it was He is going to restore is the Lord, and we know that everything he does works for good, knowing that this was a way to draw my attention to him brought me to seek him more and more and my precious Lord every day surprised me more.*

*~ From Sofia in Dominican Republic*

We put this book and all our *Word of Their Testimony* books together because we believe that as you spend some time reading these incredible and awesome testimonies of seemingly hopeless marriages that were miraculously restored, you will be encouraged and know without a doubt...

**NOTHING IS IMPOSSIBLE WITH GOD!!**

# Nothing is Impossible with God!

“Looking at them, Jesus said,  
‘With people it is impossible,  
but not with God;  
for all things are possible with God.’”  
Mark 10:27

*“And they overcame him because of the blood of the Lamb and because of the **word of THEIR testimony**, and they did not love their life even to death.” Rev. 12:11.*

The following testimonies are filled with miracles of men and women who took God at His Word and believed that “nothing was impossible with God!” Those who have had the miracle of a restored marriage have several things in common. All “delighted themselves in the Lord” and He gave them “the desires of their heart.” All of them “hoped against hope” when their situation seemed hopeless.

All of them “fought the good fight” and “finished their course.” All of them were determined “not to be overcome with evil” but instead to “overcome evil with good.” All were willing to “bless their enemies” and to pray for them that “despitefully used and persecuted them.” All “turned the other cheek” and “walked the extra mile.” All realized that it was “God who removed lover and friend far from” them and it was God who “made them a loathing” to their spouse. All of them understood and believed that it is NOT the will of man (or woman) but the “will of God” who can “turn the heart” whichever way He chooses.

All refused to fight in “the flesh” but chose to battle “in the spirit.” None were concerned to protect themselves, but trusted themselves “to Him who judges righteously.” All of their trust was “in the Lord” because their trust was “the Lord.” All released their attorneys (if that was part of their testing) since they “would rather be wronged or defrauded.” All of them “got out of the way of wickedness” and “let the unbeliever leave” since they “were called to peace.” All refused to do “evil for evil or insult for insult.” All loved their spouse who may have been unfaithful because they knew that “love never fails.”

This is the same journey that the Lord took me on back in 1989. That year I made a promise to God that if He would restore my marriage to my husband, I would devote my life to telling others about Him and His desire and ability to restore ANY marriage no matter what the circumstances. The Lord was faithful and restored my marriage, suddenly, two years later after a divorce. (Yes! AFTER a divorce!) Now I faithfully, with the Lord's continued help, love, support, and guidance, spread the GOOD news that nothing—NOT A THING—is impossible with God!

It is important to know that our ministry was FOUNDED to help all those who were told by pastors and Christian friends that their situations were HOPELESS. Those who come to us for hope are facing a spouse who is deep in adultery, who has moved out (often in with the other man or woman who committed adultery with), who has already filed for divorce or whose divorce has gone through. 99% of those who come, come alone for help since their spouse is not interested in saving their marriage, but is desperately trying to get out. Over 95% claim that they are Christians and most are married to Christians.

Over half are in some type of Christian service and many of the men who are involved with other woman are pastors who have left not only their wife and children, but their church as well.

If you, or if someone you know, is facing devastation in their marriage, there is hope. Read these awesome testimonies that prove that God is MORE than able to restore ANY marriage—even YOURS!

# Chapter 1

## Courtney

“For God will bring every deed  
into judgment, along with every hidden thing,  
whether good or evil.”  
—Ecclesiastes 12:14

### “I Became Neurotic”

#### **Courtney, how did your restoration actually begin?**

I was a bossy, extravagant woman, arrogant, and I thought that only I could solve all our problems. Even our wedding was a nightmare, due to me wanting a huge wedding party, because I wanted to, and we ended up with an enormous amount of debt that caused a lot of stress. I smoked and drank a lot, and my friends and family had tried to warn me that I needed to change; they tried to get my attention, but I did not care.

Right away, I wanted to get pregnant, and I became neurotic because of that. To cope, my husband started to seclude himself to get away from me; he became quieter and isolated himself from me, until he came to tell me that he was in friendship with a work colleague who had the same job as him, and he claimed that they had to work together. People said it was true, they were only friends and coworkers, but I imagined the worse. After two months of much fighting and distrust on my part, with my continual accusations, my husband decided to leave, to give us time apart to stop the fights. A week later, I decided to go behind his back and ask his boss to transfer him. After sending my husband several messages, he decided that he was done; he would not come home; we were through. He came home, packed up his things without talking to me, and moved out.

#### **How did God change your situation, Courtney, as you sought Him wholeheartedly?**

After he had left home and was gone for a month, I was exhausted from running around and just kicking him verbally, telling everyone and anyone who would listen. Each time I tracked him down and he'd see me, the colder

he became toward me. A friend told me I needed help and to go see a counselor in her church—such a waste. I could not find any help, and then it came to my mind to look for testimonies of restored marriages online. By that time, I was going to the church and told this to my husband, trying to show him that I had changed (joke) and was urging him to go, too.

I knew I needed God, but I didn't know which direction to take, what course of action would make this all stop—not until He led me right to the RMI website. From the moment I started reading the first HopeAtLast.com pages, I began to cry and stayed up late into the night reading—going from one page to the other. At that moment, I knew that it was God speaking to me, and that's when I ordered and read *How God Can and Will Restore*, and I kept reading the testimonies, then I began working through each of the courses and started reading the daily Encourager.

**What principles, from God's Word (or through our resources), Courtney, did the Lord teach you during this trial?**

God taught me, through RMI, to have a meek, gentle and loving spirit, to forgive and not to explode at anything, to let my husband lead, instead of taking control of everything, and to remain calm and at peace when I would have been filled with rage and exploded in anger over something stupid. Your ministry continues teaching me to be quiet and let go of everything, turning it all over to His powerful hands. And only then was I able to rest and know that He was taking care of everything. He taught me the principles of tithing and surrendering, which were very, very important, and that was when I finally began to see things change.

**What were the most difficult times that God helped you through, Courtney?**

The first most difficult time was when I let go of my EH and confessed my sins to him and others (including a kiss that a guy gave me at the beginning of our engagement). I learned to let go of my life and stop contacting him, which was tough when I found out about him and OW. Up until that day, I only suspected that he had gone out with her, even though people told me they were together. Even without children, we had contact throughout, due to our bank accounts.

One day, he came and confessed that after we separated that he went out with her once but that he had repented to God. So that day we had intimacy, but after, he said we should not have done it, because he was afraid to hurt

me, but that showed me that the Lord was beginning to turn his heart back to me even more, so I focused on the positive.

The second most difficult moment was when he was sleeping at home and he got a text from the OW saying that she took a test and she was pregnant. That day our world collapsed, but I felt God talking to me to remain calm and trust Him, and I asked, “But how can I stay calm with this news? If it is Your will that the dream of my husband being a father be performed by another woman, I will understand.” But as I became more intimate with the Lord as my Husband, I kept hearing Him tell me that not everything was what it seemed, and the more I wondered if it was true.

More tests were sent by God, and the more wonderful Lord continued to give me peace. After several crises, the truth surfaced; we discovered that the sonograms she sent to prove she was pregnant were four years old.

But before we discovered the pregnancy was not my husband, my EH had returned to his sister's house, and he said he needed to decide what to do about our future together. I kept talking to my HH, and I went on fasting and praying, and that's when the heavenly peace of my Beloved consumed me. One day, I even told my EH that he should also trust God and that His will be done but that I thought she was not pregnant. God had not revealed the truth, but I thought “either she would abort or it was a lie,” and it was the next day the truth was uncovered. After this, my EH came to sleep at home but said to remain quiet.

The OW did not know that we knew the sonogram pictures were old, so he quietly called her to talk, and she told him that she had an abortion, because there was a problem in the womb, but my EH did not confront her about her lie. Though, I confess that I wanted everyone to know that she faked her pregnancy and that we knew that the sonogram was old. But God taught me to remain quiet and trust Him. Later, I realized that maybe the scandal would hurt us as a couple.

### **Courtney, what was the “turning point” of your restoration?**

The turning point was to confess and ask forgiveness from my husband and others I hurt, to speak of my HH about everything, to rejoice in good or bad and be kind to everyone, to dedicate myself only to the Lord, and to stop running after my husband. To be loving and to be quiet, after all these changes is when my EH came back to begin sleeping at home and began to make plans for us, financially and as a family, but always asking me to remain calm. It wasn't until he brought all his uniforms home that I knew

things had turned. His excuse was always because (as we live in an apartment) it takes more time for them to dry, and sometimes he had to go two days wearing the same one. I said nothing, and soon he said it was better to bring everything home, and I smiled. The next day, we went to get his things, and he packed everything, leaving nothing behind. All this to the glory and honor of my Beloved Husband!

**Tell us HOW it happened, Courtney. Did your husband just walk in the front door? Courtney, did you suspect, or could you tell you were close to being restored?**

God was turning his heart slowly; what I see today is so much better and not as I imagined. I always did everything quickly and pushed things to be finished. Yet yesterday, I realized how calm I felt, due to what you taught me here. What a blessing it is to wait and be patient, and I thank you very much. I am able to thank Him for all the trials, because every tear, every bad moment, served to help me and teach me.

Of course, we messed up a lot during the journey, and we are going to make mistakes, but I believe that the important thing is always to seek Him, and what He wants for our lives, and to feel that peace in the heart that only He can give us, even in the midst of the storm. Knowing that He is with us is the most comforting feeling there is! It's been eleven months since the day we came home after picking up his things, and that day he asked me if we were going to start going church! Glory to God!!!

After I let go of my church, as you all teach (so my husband would have room to become my spiritual leader), I confess I thought that would never happen. How wrong I was!

**Would you recommend any of our resources in particular that helped you, Courtney?**

I recommend that you read *How God Can and Will Restore Your Marriage* and also *A Wise Woman* and purchase them to give as gifts to family and friends. The courses were what helped me a lot, to keep moving forward; as I journaled relentlessly, it helped me not remain just going around and around what I was learning. Just follow each course in the list, plus other recommended courses like *Abundant Life*. Of course, include a lot of prayers, fasting, and trying to be close to your HH, and do His will and not ours.

---

**Would you be interested in helping encourage other women, Courtney?**

Yes

**Either way, Courtney, what kind of encouragement would you like to leave women with, in conclusion?**

Beloved ones, believe, trust and hope in His promises. Sometimes we think about giving up on our journey, because it is very difficult, but we should not take our eyes off our Beloved; only He can strengthen us. There were days that I asked my HH to take my EH from my heart; I wanted to live only for Him and with Him. It was more due to not wanting to suffer or hurt anymore, but those were not my Heavenly Husband's plans.

Sometimes, I fell asleep in the midst of the tears, and there were many cold nights before He became my HH. But the next day, as I snuggled next to Him, I'd receive good news or little pamperings that my Beloved gave me. Each time I needed it, He filled me with love and hope again.

So, turn to Him; do not give up; as Erin said, even the cases that everyone judges as hopeless are the very ones that He uses to show His power and Glory. I love my Husband and thank God for taking me to the desert and helping me pass through everything I went through. Everything I lived was a lesson taught by the best Teacher of the universe...He is the great I Am! I will be eternally grateful to Him, and I have promised (even before restoration) that I will help as many women as I can. This trial has been wonderful for me as a woman, mother, wife, and daughter, because now I want to do everything for Precious, for my Beloved.

What you have read is just a *small sample* of the **POWER** and **FAITHFULNESS** of God that are told through countless restored marriages! We continue to post new restored marriage, and restored relationship testimonies (children, siblings, parents, etc.) on our site each week.

Don't let **ANYONE** try to convince you that God cannot restore **YOUR** marriage! It is a lie. The **TRUTH** is that He is **MORE THAN ABLE!!**

**Is Your Marriage... Crumbling? Hopeless? Or Ended in Divorce?**

## **Restoration Fellowship**

Restoration is a “narrow road”—look around, most marriages end in divorce! But if your desire is for a restored marriage, then our Restoration Fellowship is designed especially for you!

Since beginning this fellowship, we have seen marriages restored more consistently than we ever thought possible.

Let us help you stay committed to “working with God” to restore your marriages. Restoration Fellowship can offer you the help, guidance, and support you will need to stay on the path that leads to victory—*your* marriage restored!

Let us assure you that all of our marriages were restored by GOD (through His Word) as we sought Him to lead us, teach us, guide us and transform us through His Holy Spirit. This, too, is all you need for *your* marriage to be restored.

However, God continues to lead people to our ministry and fellowship to gain the faith, support and help that so many say that they needed in their time of crisis.

*“I have tears in my eyes as I say I don't know what I would have done if I had not found this wonderful group of women. Thank you so much for all you do and may the Lord bless you and increase you in all you do!!!*

*Just read it and be open to what the Lord wants to change in your life*

*Each and every testimony has spoken to my heart and encouraged me that God can do for me what he has done for the Ladies who have a restored Marriage testimony praise God.*

*God used this ministry to show me that I was a contentious woman as well as manipulative and disobedient disrespectful. I realized that I had been the cause of my husband's desire to leave me. Now, whenever I see other women struggling in their marriage I love to direct them towards this website and pray that God will transform their lives as he did mine.”* Savanah in Texas

*“The WOTT books were such a blessing to me. When I wasn't seeing progress in my own situation, I'd pick up my cell phone and open the downloaded books and just read. I would get so much hope from hearing how even when it didn't look like it, even when it seemed impossible, God*

*showed up and showed out for these believers. I recommend this book not only for you but for those around you. Once they read these testimonies, it will become a lot easier for them to stand in faith with you.*

*When I found you all, I was hopeless. I didn't know how to let go. I wanted to so badly because I could see that my grip was only making things worse. Talk about a hate wall. It seemed as high and even wider than the Great Wall of China. My EH was sooo angry with me. It had just been days since our first court appearance. And while I'd received Godly counsel early on not to get a lawyer unless I wanted a fight, I showed up and that resulted in the divorce being delayed. EH was so mad. He said that I was one who only manipulates and continues to attack him. God used the book and the courses to give me a true wake up call.” Gianna in Kansas*
